This is a four-day course, divided into two segments: Senior Course (GS-11 and above); Staff Course (GS-07 - GS-10). It is designed to give a basic familiarization with the SAC ICBM force and pertinent information regarding other relative weapons systems. Twenty-four classes are scheduled during CY 1971. SAC's deadline for submission of quota requirements is 20 November. AIR has written the Senior Training Officers in each Directorate, giving a 13 November deadline.
